## From the Editor

What a warm and wet summer we have been having. Whatever the weather, it has been so good to be able to get out and about again, to be allowed to meet with friends and family and generally live a bit more freely than we have been doing.

We are delighted to announce that our advertising editor, Katy, got married a month or two ago, that she has moved house and is also starting teacher training. Congratulations on all fronts. The downside of this is that Katy has reluctantly decided she cannot carry on as Chet Contact Advertising Editor from this edition onwards. So...

### **We are looking for a new Chet Contact Advertising Editor.**

If you think you might have the skills and aptitude to take on this role, please contact us at [c.magazineloddon@gmail.com](mailto:c.magazineloddon@gmail.com) or speak to either of the editors or to Rev David Owen. We would be very pleased to hear from you.

Don't forget to go to the Art Exhibition (I know that's at the end of August!), and if you're interested in the environment and climate change do come the EcoCafe (p25). It would be good for local people to have conversations together about what our response individually and collectively to this challenge might be.

### Life and Lifeguards

Have you been to the beach in Britain this year? It's something a lot of people have done during the summer of 'staycations', enjoying splashing in the sea as much as building sandcastles and eating slightly sandy picnics. When I was a child I spent a lot of time at beaches, and was taught from an early age to be aware of the dangers of the sea. Now, as an adult, if I'm at the beach and I see people in the sea with inflatables or paddle boards I find myself just watching to see that they are OK and in no danger.

But who comes to the rescue when things go wrong? One of the charities I support is the Lifeboats (the RNLI) who provide Lifeguards to patrol popular beaches and to rescue people in difficulties. They also do a lot of work to make people aware of possible problems and to prevent accidents. (They do an amazing job, so if you're looking for a British charity to support, why not choose the RNLI?)

Of course the beach isn't the only place where things go wrong. Our lives constantly present us with challenges and difficulties alongside the joyful moments and opportunities to smile. I often compare my faith to having a personal Lifeguard. I can talk to Jesus when the going's tough and when times are good. He's there, offering love and assurance however I happen to feel at the time. I know that when I get into difficulties, as everyone does sometimes, he will be there to carry me through. Beach lifeguards do the best that their skills and training enable them to do, but when Jesus died and was raised to life he gave all of us the possibility of experiencing God's amazing love for ever. That's why I trust him to keep me safe and to be the Guard of my life. How about you?

*Jesus said, "I came that you may have life, and have it abundantly". John 10:10*

## Worship in the Chet Valley

You are welcome to join us at any of our services

**Holy Communion** is celebrated every Sunday at one or other of the Chet Valley Churches, either Book of Common Prayer or Common Worship, with an informal Holy Communion service once a month in Chedgrave.

Services of **Morning Worship** are held in Loddon and Hardley.

**XPRESSIONS CAFÉ** is on the first Sunday every month at All Saints, Chedgrave. This is a relaxed and contemporary way of 'doing church'. Open between 10:00am and 12 noon, you can come and go as you please for coffee, cake, discussion, crafts, games, stories, reflection and much more.

**All Together Worship** is on the third Sunday every month at All Saints, Chedgrave, starting at 11:00am (January, March, June and September are followed by shared lunch).

All Together Worship is designed to be as inclusive as possible: a mixture of formality and informality; traditional and modern; activity and stillness. In short, we will attempt to provide a service which will have points of connection for both children and adults—indeed people of all ages and all backgrounds.

**Last Sunday Praise** is held on the last Sunday of the month at St John's: a chance to sing old and new Christian songs and worship together.

**XTRA!** is an exciting, informal service every Thursday after school in St John's Church. Refreshments from 3:15pm, service starts at about 3:45pm. Open to all; particularly suited to children and young people.

*In Loddon and Chedgrave there is an opportunity to enjoy a chat over refreshments after the service, Covid restriction permitting.*

*There are toilets and baby-changing facilities at All Saints, Chedgrave and St John's, Loddon.*

*Families are welcome at all of our services but are particularly catered for on the 1<sup>st</sup> and 3<sup>rd</sup> Sunday of the month in Chedgrave.*

**Home Communion:** If you would like home communion, because you are unable for any reason to get to a Sunday service, please contact the clergy or the Church Office and we will arrange for someone to bring communion to you.

***Times and details of the services can be found in the centre pages of the magazine.***

## News From Your Local Councillors

### Kay Mason-Billig & Jeremy Rowe

#### Loddon, George Lane and A146 junction roundabout

Anglian Water have been working hard in the first phase of the roundabout construction. BT will follow. If work appears to have stopped, it is because that phase has finished early but the next utility is not allowed to start until their official slot. Seems daft but it's all to do with insurance and who is responsible during the period booked for their works. I know some are anxious that the road closure notice has not yet been published for the main construction works. I have been assured by officers at NCC that this is in the pipeline and will not require the usual 12 weeks' notice. I promise to keep up the pressure to see this roundabout delivered.

#### Wherryman's Way

I am very pleased to be able to announce that the dredging works in the Chet will be going ahead this autumn. These works will take material from the river to replace the bank where the footpath was washed away at Hardley Flood. Originally only the first two sections were to be done this year but the County Council in conjunction with the Broads Authority have decided they will now be able to do all four sections in one go. This will shorten the time we have to wait to see a complete reopening of the footpath. After the dredging is complete, the bank has to be left to stabilise before the footpath can be properly reinstated with new bridges etc. If everything goes according to plan, we are looking at a reopening of this part of the Wherryman's Way in the summer of 2023.

If you have any issues or I can help in any way, you can contact me at [kay.masonbillig@norfolk.gov.uk](mailto:kay.masonbillig@norfolk.gov.uk)

#### Hike to Hardley

Our next ChetChat event is on Sunday 5<sup>th</sup> September, from 1:00-4:30pm. We are encouraging people to raise money by walking with us from All Saint's Church, Chedgrave to Hardley Mill, or to join us there. We will be entertained by The Saxonettes and Funky Feet. Refreshments will be available. There's a 20-question Treasure Hunt for any walkers who'd like to give it a go on the route. If you fancy walking with us, we're leaving All Saints Church, Chedgrave at 1:00pm, walking to St Margaret's Church, Hardley, where you can join us at 1:45pm Or you can meet us at Hardley Staithe car park at 2:00pm, to walk the final mile to the windmill.

We are raising money for Leeway Women's Refuge and Hardley Mill. If you'd like to get friends to sponsor you or just to make a donation, the details are: <https://www.justgiving.com/crowdfunding/jeremy-Rowe-2> We're grateful to Musker McIntyre, Rosy Lee's and Minimum World for sponsoring the event.

If you know anyone over-60 who might like a regular visit or phone call, or just some help, ChetChat is here to help, on **07876 0501 10**.

My regular surgeries will start up again later this year. In the meantime, please ring me anytime on **07733 323581** if I can help you. Councillor Jeremy Rowe,

**Planning Application:** The Council has been consulted on an application for the development of up to 130 market and affordable dwellings on the land north and south of Norton Road, Loddon. Members of the public are reminded that comments should be made directly to SNC as soon as possible, either through the planning website, by email; [planning@s-norfolk.gov.uk](mailto:planning@s-norfolk.gov.uk) or by letter; SNC, South Norfolk House, Cygnet Court, Long Stratton, Norwich NR15 2XE.

**CCTV Installation at Jubilee Hall and Loddon & Chedgrave Playing Field:** The Loddon & Chedgrave Playing Field Committee have organised the installation of six external CCTV cameras for the benefit of the users of the hall, the playing field and the Old Hockey Field. It is hoped that these cameras will reduce the antisocial behaviour and dog fouling in this area. The CCTV will be used to monitor dog fouling, and offenders will be reported to South Norfolk Council (SNC).

**Vandalism at the Staithe Toilets:** Unfortunately, there has been ongoing and expensive vandalism at the toilets this year. These are a public facility so please look after them. The CCTV images will be used for prosecution purposes.

**Police Beat Manager:** PC James King is the new Loddon beat manager. He can be contacted at [James.king@norfolk.police.uk](mailto:James.king@norfolk.police.uk)

**Staithe Footbridge:** Helen Sibley at SNC has written to the Council confirming that the bridge is SNC's responsibility. SNC have had a structural survey indicating that the bridge can be restored rather than replaced.

**Hedges:** We are receiving numerous reports of householders hedges blocking the footpaths. Please will householders try to keep their hedges tidy.

Chedgrave Parish Council held its meeting on 1<sup>st</sup> July 2021.

**Chet Chat:** There will be a sponsored walk on 5<sup>th</sup> September to Hardley Mill. Funds raised will be split between Chet Chat, Hardley Mill and Freeway charity. Anyone interested should contact 07876 050110.

**Pony riding in Chedgrave:** Please note that the riding and exercising of horses and ponies is not allowed on footpaths in and around Chedgrave. There have been reports of pony riding around Chedgrave Common and the paths leading to it (Wherryman's Way along the River Chet and Common Loke, off Hardley Road). Neither of these routes are intended for horses, ponies, bikes or motorbikes particularly as they are well used by walkers with young children and dogs. In particular, there should be NO incursions onto Chedgrave Common by individuals exercising their horses or ponies. This area is periodically grazed by Shetland ponies who see the Common as their "territory". Please keep all other horses and ponies off the Common, keep dogs on the lead when crossing the Common and take care around the ponies if they are present. Thank you.

**Brian Clarke Room:** The room has re-opened in a Covid-secure way. Booking enquiries should be made to Georgina Buckle via [brianclarkeroom@gmail.com](mailto:brianclarkeroom@gmail.com) or 07981 856270.

**Council Vacancies:** There are two parish council vacancies. If you are interested in your local community and would like to be part of the friendly team which makes decisions about your village, please contact the Clerk for more information.

**Planning Matters:** Two planning applications were considered:

2021/1201 – 20 Rectory Lane – No objections.

2021/1311 - Land South Of Norwich Road – No objections.

It was noted that the following planning matters had been approved:

2021/0870 - 12 Hillcrest Chedgrave - Approval with Conditions.

2021/0905 - 79 Langley Road Chedgrave - Approval with Conditions.

Langley Road/Snows Lane Site – A draft plan was presented and the council has been invited to present a 'wish list' to the development company.

Next Meeting: The next meeting will be held at the Brian Clarke Room on Thursday 2<sup>nd</sup> September. There was no meeting in August.

## Notes from Sisland

As I am writing this in early August, I want to thank all those who have supported the Sunday teas at Sisland church. It has been lovely to catch up with old friends, as well as welcome new visitors who have discovered our beautiful church. We all know what a challenge the last eighteen months have been but the opportunity to sit, reflect and share has been enjoyed by many. Although it is the main fundraiser for St Mary's it offers so much more to so many.

The delayed and later season this year also meant that the churchyard was not cut at the start of August as the seed had not yet set in the conservation area, although it should have been by the time you read this. As we move from the summer months into the autumn, our attention turns to the change in seasons.

The word 'harvest' comes from the Old English word *hærfest* meaning 'autumn'; apt for the season when we gather in so much of our local produce. In the UK, harvest festival, which is also known as the harvest home, has traditionally been celebrated on the Sunday nearest the harvest moon. This is the full moon that occurs closest to the autumn equinox. In 2021, September's full moon will be on 20<sup>th</sup> September 2021. As the moonrise comes shortly after sunset there can be an abundance of moonlight early in the evening, which enabled farmer workers to work later into the evening to complete the harvest.

Although we now fix and plan for this celebration without reference to the moon, in the past the harvest festival differed, based on a date when all the crops had been brought in. It was a period when the whole community, including children, needed to help right up until the end, as lives depended on the success of the harvest.

Last year Sisland decided to celebrate its harvest festival by holding its service in the churchyard and we were blessed with good weather. This year we are planning to do the same and hold the service at 5:00pm on Sunday 19<sup>th</sup> September, very close to the full moon date of the 20<sup>th</sup>! It should contain all the traditional elements that you would expect and will allow us all to connect with the environment around us, so key to the farming season. We hope to see you there.

## Monday Mardles

Anyone lonely? Please do come and join us! We have just come out of lock-down at last, happy to greet each other. There is lots of news to catch up on, relief that we are still all of one piece—most of us—and raring to go! We meet on **Monday** mornings, 10:00am-12:00noon, at Chedgrave Church Centre. There's lots of coffee and birthday cake. See you soon!

## Electric Car Review

We bought our Kia Soul EV in September 2020. It is a very enjoyable drive with good acceleration, comfortable and roomy and has a range of around 250-280 miles. We have our own home charging point. Charging up to 80% takes 5-6 hours and costs approximately £5-6 - considerably less than petrol/diesel! We have only driven just over 2000 miles, mainly in Norfolk, because of Covid. We have been on one long trip, to London—using the Zap Map app we were able to recharge there without any significant issues. The charging network is expanding rapidly and range anxiety during long journeys should be a receding concern. Electric is for now (currently accounting for over 10% of new car sales) and the future!

## Chet Valley Voices

“Do know where—Don't know when”

Firstly we hope you are all well, and we look forward to the day when we can see you all again and singing together, DO know where, DON'T know when!  
[perhaps we can sing this when we do!]

We were so hopeful for a September restart, knowing some restrictions were being lifted in July. After a committee meeting and much deliberation, with heavy hearts it was decided that due to the rise in cases your health and wellbeing is our topmost priority, therefore we will review the situation in the New Year, or sooner if cases fall to acceptable levels.

We know this will be a disappointment for you, but keep up with your breathing exercises and warm ups, they will pay off for your singing and general health, sing along with the radio, or work on a song and improve it, so when we meet again we will all sing with gusto.

Anyone interested in joining our merry band will be heartily welcomed.

If you have any queries or wish to speak to us please do not hesitate to contact me and I will pass on any messages or questions.

Sue Martin, Secretary.

# Church Activities

## Church Services during the Covid-19 pandemic

Our churches are open for worship. Our services will go ahead as advertised. Please look at our website for up-to-date information.

Our services are also available on our YouTube channel: Chet Valley Churches. The URL for each service and a pdf are on the church website ([www.chetvalleychurches.org](http://www.chetvalleychurches.org)).

If you cannot attend church and would like a paper copy of the Sunday service, please contact one of the clergy.

## Private Prayer

Our churches are now all open all week. Usually this is between the hours of 9:00am and 4:00pm. Please be patient if the building has not been unlocked. It usually means that whoever opens it is unavoidably busy elsewhere.

We still ask people to sanitise their hands when entering the churches and to be mindful of others who may be there.

## Bullrush Babies

From September, Bullrush Babies will become part of Noah's Ark. We will all be meeting at St John's Chapel, George Lane, Loddon. We will open on Wednesdays at 9:15am and shut at 12:00 noon. Circle time takes place at 10:30am in the morning when we gather together for songs, stories and biscuits.

Do drop in when it is convenient. There's always a cup of tea or coffee on the go. It is a good chance to meet new parents, childminders, grandparents and share anxieties and wisdom.

If you are interested in joining, please contact Rev Alison:

## Holy Trinity Bell Ringers

As Covid restrictions have gradually eased, we are now ringing all eight bells at Holy Trinity again. The first Tuesday practice night took place on 20<sup>th</sup> July and we now ring regularly for Sunday morning services. Weddings have begun again and we have rung the bells to celebrate them at Loddon, Woodton, Bergh-Apton and Lowestoft.

We also rang our first eight bell quarter peal for well over a year of Superlative Surprise Major at North Lopham near Diss.

## Community Groups, News and Events

### News from Local Branches of the Women's Institute

#### Loddon and District Women's Institute

At the time of writing we're looking forward to our bring and share garden tea party on 18<sup>th</sup> August. Members were given the challenge to decorate a jam jar, to fill it with flowers from the garden and to bring their creation to the tea to use as a table decoration—if enough of our members have met the challenge we'll need a table just for the decorations! It should be a pretty sight.

We're planning to get back to our normal meetings in September and are looking forward to that. Even so, we think that it will be sensible to continue to 'proceed with caution' and will be talking this over when we meet in August.

Loddon WI has a public Facebook page, as well as a members' page. If you are interested in joining us please contact us through the Facebook page or via [LoddonWI@gmail.com](mailto:LoddonWI@gmail.com) or telephone 01508 528656. We've been pleased to welcome three new members over the last two or three months, and there's always room for more! Our best wishes to all.

### Ashby St Mary Cricket Club

We are a small village club, which plays home games at Ashby Hall "The Meadow", a wonderful location.

The season continues to go well, with several excellent victories. We did reach the final of a local cup competition, but were beaten by just twelve runs. Brothers Aaron and Rob Beaumont continue to try and out score one another, both now passed the 600 mark.

The chairman's day was very successful, the club side being victorious: a great social occasion. Our weekend in North Norfolk is getting closer, Castle Rising and Thornham being our opponents. We have now reached the final month of the season. More news to come.

## Loddon Community Gym

Have you read the flyer included in this month's Chet Contact?

The Community Gym is open and ready to welcome back current, former and new members. Bring the leaflet along to claim your free session.

Although the government has lifted all restrictions that were imposed during the Covid pandemic we at the gym are conscious that not everyone is comfortable rushing back to 'normality'. Every effort will continue to be made to keep members safe in the Gym and these measures will stay in place as long as we feel they are necessary. Once you get used to them, the arrangements are fairly simple and straightforward and hopefully are sufficient to reassure everyone and encourage members to return to their fitness regimes and new members to feel both safe and welcome.

If you are interested in joining the gym have a look at our Facebook page and on the website [www.loddoncommunitygym.com](http://www.loddoncommunitygym.com), call in during open hours to see for yourself, or contact Louise our personal trainer (07534 946143). Louise will discuss your aims and prepare an individual programme appropriate for your fitness level. The system of GP referrals is also back on track so if your GP thinks you might benefit from an exercise programme you will be made very welcome. No special clothing is required just something cool and comfortable. The small annual fee of £20 and £5 per session make the gym a very competitive form of exercise.

Pre-booking of gym sessions will continue:

<https://www.picktime.com/easternriverscommunitygym>

If this is difficult for you please contact Louise and she will book you in.

Cashless payment on arrival for your session has also been introduced. For more information keep an eye on the website.

Gym opening hours in the Jubilee Hall, George Street, Loddon as follows:

**Mondays: 1:30-6:00pm, Tuesdays: 4:30-8:30pm, Fridays: 10:00am-1:00pm.**  
**Any minor changes to these times will be clear when you book.**

## 2021 Flu Vaccination

Doctors' practices are still awaiting government guidance regarding both this year's Flu Campaign and the COVID Booster Campaign. However, we would like to reassure all our patients that we have pre-ordered flu vaccines for all those patients eligible so patients can be vaccinated here at the practice. We will be in contact with patients as we work through emerging government guidance moving forwards, so there is no need to contact the practice currently.

## Patient Participation Group

Our meetings are not currently taking place and we will advise all through Chet Contact when normal service is likely to resume.

## Loddon WEA

If all goes well, in September, the Branch will take the first step towards a return to 'normal' life. An Annual General Meeting, in the Jubilee Hall, is being planned for the 27<sup>th</sup>. Whatever rules are in force at the time, we shall be taking no risks and will adhere to observance of the present measures of distancing, hand sanitising and wearing masks.

Details of the business to be conducted at the AGM will be published later in an agenda, but will include renewal of the committee. There are eight committee members at present, but half of them have served for many years and range in age from 70+ to over 90! We hope to have a guest speaker at the AGM as a reminder of the main focus of the branch. All being well, it will be possible to offer a series of talks on 'The History of Criminology' later in the year and details will be given at the September meeting.

For any further information, please phone 01508 521036.

## **XPRESSIONS CAFÉ—Eco-Café 5<sup>th</sup> September, 10:00am - 12:00noon.**

### **Where and what is XPRESSIONS CAFÉ?**

XPRESSIONS CAFÉ takes place in the church and church centre at All Saints, Chedgrave, just off Hardley Road next to The Pits play area. It will be open on the first Sunday of each month between 10:00am and 12:00noon.

**What is it?** *It's church, Jim, but not as we know it!*

Each month there is a theme around which the whole morning is based. The centre of XPRESSIONS CAFÉ is a café, XPRESSO, which is open all morning serving free good quality refreshments (coffee, tea, soft drinks, cakes, biscuits). There is also chance to read one of the Sunday newspapers or chat to others who have dropped in. You can stay there for the whole morning if you wish.

Then there is XPRESSIONS, upstairs in the church centre and open from 10:00am to 11:15am, which offers the chance to express yourself creatively using craft, cookery, games, stories, singing and prayer. This is often the place where families gather but anyone can come and join in.

At the same time in the church, from 10:30am to 11:00am, there is XPLORE FURTHER. Here there is often a discussion or else some other way of exploring the theme for the day.

Lastly there is XPLORE TOGETHER for the final half hour in the church where we use film, music, discussion, activity as we participate in unpacking the theme.

### **Come and go as you like.**

Why not come and see what it is all about?

Our next café is an Eco-Café where the format will be a little different. We will be exploring aspects of our environment and pondering the effects of climate change and how we can respond.

## **Plant Stalls**

All Saints, Chedgrave has a plant stall in aid of church funds at 24 Hillside in Chedgrave. A constantly changing range of plants for sale, it is worth a regular trip to see what is available. If you've cuttings, or have split plants, or too many seedlings, we would be delighted to receive these for the stall, Please drop them off at 24 Hillside, or leave them in the church porch. It would help if you could label what they are just in case it is not obvious. Many thanks.

The Church in Loddon has a plant stall in aid of church funds at Avocet, Norwich Road in Chedgrave. They would be pleased to receive empty pots for filling as well as to sell you some plants. Please drop them off at Avocet, or leave them in the church porch. Many thanks.

## Loddon and District Local History Group

All being well we can meet up again in September. The Lecture Hall is booked for Wednesday 15<sup>th</sup> September when we plan to have our own Lockdown Unlocked session, sharing what has been going on historically in Loddon during the last 18 months. Obviously, we will have to abide by Covid safety guidelines but as everything is so fluid, details will be on posters a little nearer the date. For the meetings later in the year most of the speakers who were to speak last year are still available. Topics include: Caister Roman Project; Swing Riots in; and The de Argentine Family: Cup Bearers to Medieval Kings.

The Hardley, Heckingham and Langley graveyard surveys have now been updated, and we await the demise of the tall grass and bracken so that we can tackle Hales later in the autumn. The updated surveys have been given to the churches at Hardley, Langley and Heckingham, for visitors to see.

Recently the test pit diggers met and created two holes in a garden in Langley. Mid-20<sup>th</sup> century rubbish in one pit was compensated for by some nice old potsherds in both pits; more news of the finds at the September meeting. I hasten to add that the pits were backfilled before we left. We hope to dig more test pits in the coming months. If you would like to join in this very sociable activity, please contact me at: [elvie.herd@uwclub.net](mailto:elvie.herd@uwclub.net)

Finding the domestic waste pit in the recent Langley dig prompted discussion about when council domestic refuse collection commenced. I remembered my father carrying tins and bottles across the fields to bury them in a small copse before 1954 while living on a small farm in Warwickshire.

Searching the EDP archive online it would appear that regular fortnightly roadside bin collections started in the Loddon RDC area in 1958, and that by 1965 it was deemed necessary increase this to weekly which involved purchasing a second lorry and employing a second team of collectors. Loddon and Chedgrave had weekly collections from the beginning. Elderly people living alone could ask for their bin to be moved by the council staff. Remember these were round metal bins, no wheels. The EDP reports are not always detailed, but it is likely the rubbish went to Bergh Apton, where the canny council had negotiated purchase of a disused pit at a favourable price (£1) while expediting arrangements for the company's access to a new extraction site. In the 1972 local government re-organisation Norfolk County Council took over responsibility for waste disposal and thus acquired this bargain while having to pay several thousand pounds to expand the facility. The new South Norfolk Council took over the weekly collections.

## Read Any Good Books Lately?

*“A room without books is like a body without a soul.”*

*Marcus Tullius Cicero (born 106 BC, died 7<sup>th</sup> December, 43 BC)*

*Roman statesman, lawyer, scholar, and writer*

### **“The Night of the Flood” by Zöe Somerville**

Set in Norfolk in the time of the 1950s, the main characters are young people living in a Norfolk village. They are well described by the author and there is a love triangle at the heart of this story. It was a time when Americans were stationed over here and were considerably more well-off than their English counterparts, who were struggling with the aftermath of World War 2. The climax comes with the terrible flooding of 1953 in Norfolk. Zöe Somerville’s description of this, and the devastation of the region most badly affected, is very moving, as is her description of the teenagers and their emotions throughout that period.

### **“A Week in December” by Sebastian Faulkes**

This book has a clever plot, with each character connected to the others simply because they, or other members of their families, are to be guests at the same dinner party given at the end of a particular week in December. The detail in the guests’ varied backgrounds—particularly in the case of the hedge-fund manager with his world of high finance, banking and investment trading—is enormous and is finely researched by the author. Some of it is labyrinthine and hard to understand. Faulkes uses a measure of humour in several of his descriptions, which provides a certain amount of relief from the seriousness of the issues dealt with. This is a good read, which (be warned!) requires a very high level of concentration.

### **“The Midnight Library” by Matt Haig**

This imaginative and moving novel surely has to be one of the best novels—if not *the* best novel—written by Matt Haig (so far). In a number of his books his understanding of a great many different characters has been shown to be extraordinary and his ability to bring these characters to life on paper is equally so. Male or female, adult, teenager or child—whoever he writes about, he can describe and energise so well that we can believe in them. He frequently seems to enjoy writing with settings in different periods of time and does this with great skill, as is shown both in this book and in “How to Stop Time.”

## Nature Notes

Here I am at the beginning of August and the mole(s) have made their annual pilgrimage to our small front lawn evidenced by soil heaps suddenly appearing. I have only ever seen a live mole twice. Once when lifting a log in a large, wooded garden and found one underneath it! The other being in my childhood on a family drive in the country; a mole had crossed the road ahead of us and was struggling to climb the kerb.

Back in June Rachel watched a sparrow on our roof catch a largish dragonfly, remove its wings and fly off with the body to feed its young; just hope it didn't choke its chicks. Dog walking along Langley Staithe, again in June, I was alerted by some squeaks and there were two beautiful sleek black mink playing by the reeds. Unfortunately, these non-native escaped mammals are killing machines and cause devastation to the smaller mammals and birds that inhabit our waterways.

A couple of days after this we were entertained by a young greater spotted woodpecker successfully attempting to drink and bathe in our raised pond by clinging to the brick edge. Early in July I discovered a stunned greater spotted woodpecker by our back door, as I bent down to check on it, it immediately screeched and flew off. That evening we had another visitor: a hedgehog was underneath our bird feeders, always a welcome sight.

There have been several rare birds in Norfolk, and I have been fortunate to catch up with a few of them. The first being nine European bee eaters at Great Yarmouth. My first view of them was distant so I could only see their outline as they flew around. Later I got some stunning views of these brightly-coloured European visitors, only to discover I had left my phone at home so no photos. Two trips to Hickling Broad to see the new scrapes they had made brought in some more rare birds, all waders, a collared pratincole and black-winged stilt from Europe and a pectoral sandpiper from America. Later in the month I heard that a long-billed dowitcher (from America) had turned up and Dickleburgh Moor near Diss; I wasn't disappointed with brilliant views of this summer-plumaged wader, with the supporting acts of turtle doves and yellow wagtails. However, I am not always that successful: The following day I was at Carlton Marsh reserve in the hope of seeing a gull-billed tern, which had been seen first thing at Minsmere then had moved onto Carlton Marsh, unfortunately it had left just before I arrived. Both the bee eaters and the dowitcher were birds I had never seen before.

As I write this the buddleia, we can see through our kitchen window has been covered in butterflies, until today it has been mostly red admiral but there now seems to be an equal number of peacocks.

September should see more birds passing through, all heading south, some to stay with us overwinter while others seeking warmer climes. Hopefully I will get to see some more interesting birds and maybe even new species to me.

**Richard and Rachel Hull**

Don't be shy! Go round the corner of the church porch and there they are.

### **Hymn Singing in All Saints, Chedgrave Wednesday 8<sup>th</sup> September**

A date has been set for the Hymn Singing Evening when most people will be back from their summer holidays. It's Wednesday 8<sup>th</sup> September at 7:30pm in All Saints, Chedgrave.

With time for a warm-up and then several hymns, a break for refreshments and some more hymns it should be a lovely event.

Please make a note in your diary. I look forward to meeting you then. Bring your friends, your neighbours and anyone else you can think of. The more, the merrier.

# Gardening Notes

## From the Allotment

Now is the time to cut back the summer raspberries and tie in the canes for next year; prune the blackcurrants by cutting out a third of the older branches back to the stool to promote new growth; possibly a late prune of the gooseberries, redcurrants and whitecurrants to maintain the goblet shape, if a bush shape. If trained as a fan or espalier against a wall remove any crossing or weak branches and tie in strong new growth. The main aim is to have good air circulation which reduces diseases. The autumn raspberries should keep on producing some fruit until the first frosts so feed once or twice a week. These need to be cut completely back to the base when they have finished.

Some apples and other top fruit were ready to harvest early this year and varieties like the allotment Beauty of Bath apples were ready at the beginning of August. These don't keep, so eat straight away. Other varieties will continue into the winter e.g. Winter Majestic; check the varieties you have. You can lightly prune apples and pears now to remove minor crossing or damaged branches, but any serious pruning should wait until the trees are dormant. Depending on the mildness of the winter, this may not be until January.

Stone fruit are the opposite of apples and pears so **DO NOT** prune plums, damsons, gages, etc. from the end of August until June as silverleaf fungus prevalent in damp cooler weather infects through the wounds.

## From the Garden

Our garden contributor is taking a break this month.

## **Blackberry and Apple Crumble Cake**

With autumn upon us, it is the season of blackberries and apples so what better than a delicious and simple recipe that uses both.

### **Ingredients:**

250g self raising flour  
25g oats  
280g soft brown sugar  
200g cold butter, cubed  
75g ground almonds  
2 eggs  
350g mix of cooking apples, cored and diced, and blackberries  
(I prefer more apple than blackberry)  
Flaked almonds if desired

### **Method:**

Mix dry ingredients and rub the butter in until the mixture resembles breadcrumbs. Fill a teacup with the mixture.

Make a well in the mixture and stir in the eggs.

Spread the mixture over the bottom of a lined traybake tray (17x30cms).

Scatter over the fruit.

Scatter over the reserved crumbs

Scatter with flaked almonds if you like

Bake (180C/160C fan) for 1 hour—1 hour 15 mins until golden and cooked through.

Leave to cool and cut into squares.

It's good with cream or ice cream, or just on its own.
